

ARC CBA550 LTE Adapter

Solution: NetCloud Service for Branch ■ **Application:** Failover, Branch Networks & Pop-Up Network

The Cradlepoint CBA550 LTE Adapter is a turnkey branch continuity solution for LTE failover that integrates seamlessly with existing network and SD-WAN infrastructure. It is equipped with Power-over-Ethernet for flexible, unobtrusive placement to optimize cellular reception. This powerful solution maximizes uptime for businesses that require always-on connectivity.

Cradlepoint CBA550 is sold with the NetCloud Essentials Plan, an all-inclusive networking service package comprised of services, hardware, and support.

The NetCloud Service for Branches include:

- NetCloud management & control service with branch-specific capabilities
- Customer choice of purpose-built hardware
- 24x7 support & limited lifetime warranty

Key Features

- Plug-and-play failover, adaptive to any networking & SD-WAN environment
- Integrated LTE with SIM-based Auto-Carrier Selection
- Power-over-Ethernet (PoE)
- External antenna options
- Cloud-managed for ease of deployment, remote management & reporting

Quick Specs

- **LTE:** Supports up to 150 Mbps download & 50 Mbps upload*
- **Ports (LAN / WAN):** 1 10/100
- **SIM Slots:** 2 with Auto-Carrier Selection
- **Power-over-Ethernet:** Yes
- **Housing:** Plastic
- **Operating Temperature:** 32°F to 122°F (0°C to 50°C)
- **Out-of-Band Management:** No
- **SMS Remote Management:** Yes

**Theoretical maximum speed*

Benefits

Branch Continuity

- LTE for demanding applications
- Maximize revenue & protect your brand from downtime
- Certified on public safety networks worldwide
- Elastic Wideband technology delivers exceptional cellular connectivity

Manage Remotely

- Run robust analytics to manage performance, data & usage
- Configure, monitor & manage remotely
- Create real-time alerts to monitor network availability

Deploy & Scale Quickly

- Increase speed to deployment with “zero-touch” configuration
- Easily integrate with existing infrastructure for turnkey network failover

Secure & Protect

- Can be implemented in PCI-compliant network architectures

The CBA550 can be packaged with the following plans:

Service Plan	Part Numbers
North America: NetCloud Essentials for Branch LTE Adapters	BBx-0550XXX-N0N

x = 1, 3, or 5 years

Comprehensive 24x7 Support & Limited Lifetime Warranty

Cradlepoint’s all-inclusive NetCloud Service Plan includes limited lifetime hardware warranty and global 24x7 enterprise-class support (phone support: 24-hour weekdays with emergency response on weekends; web: 24x7, chat: 24x5). With comprehensive support and warranty, Cradlepoint solutions are designed to keep networks secure, problem-free, and operationally efficient.
